

FINANCIAL COUNSELLING

WHAT IS A FINANCIAL COUNSELLOR?

Financial counsellors are qualified professionals who provide information, advice & advocacy to people experiencing financial difficulty, and people seeking to avoid it - helping you get your money & debts under control.

We work with people who are in debt or are not able to meet their ongoing expenses. Our services are free, independent, non-judgmental & confidential.

Financial counsellors understand consumer rights & can help with issues around hardship assistance, concessions, credit, debts & bankruptcy.
